ART + LIFE

Natalie Bedford's latest exhibition
'Colours of Life' at Burdall's Yard
from 16 June to 6 August 2022

All are welcome to my Private View on 16 June, from 6-9 pm

This is a great opportunity to meet me and see my current work. I have the privilege of adorning Burdall's walls with my *Colours of Life* this summer!

My new work depicts flowers, plants and people and a scattering of landscapes. It is fresh and joyful, full of expression and life — every piece unique and original. Pink and orange meet and ooze together pushing petals out of the vase and off the canvas; shapes of Monstera leaves bow out of the frame; delightful nudes drawn with my energetic line have attitude and elegance.

Currently uncommitted to a physical gallery, I continue to have flexibility with curation and pricing. My work also features in Saatchi Online, and also on the shortlist for the prestigious NEAC exhibition at the Mall Galleries in London. Two of my pieces are currently shortlisted for Bath Society of Artists at Victoria Art Gallery in Bath.

My art is reasonably priced, with starting prices at £200.
